<b>Module Code &amp; Name</b>	<b>NS4307 Network Programming</b>
<b>Assessment No.</b>	<b>AS03 (Assignment 2)</b>
<b>Group(s) Affected</b>	DITN10R, DITN11R, DITN12
<b>Programme Leader/ Assistant PL</b>	Siti Nur' Afifah binti Sait
<b>Module Convenor/ Lecturer(s)</b>	Mohammad Jailani Haji Abdul Rahman
<b>Date of request</b>	17 April 2023

### Change Description

- Change Assignment 2 submission to 8<sup>th</sup> May 2023.
- Change Assignment 2 resit release to 15<sup>th</sup> May 2023.
- Change Assignment 2 resit submission to 10<sup>th</sup> May 2023.

### Change Justification

- Some material needed for the assignment was not covered in time and it was shifted by a week due to technical issues when implementing the coding materials.
- The extension is to make sure it is fair for the students by giving ample time for them to properly complete the assignment.

### Risk and prevention measure – Potential problem and how to prevent it.

- It was unexpected as everything was working on lecturer laptop.

### Future prevention measure – Systematic way to prevent this from happening again

- Try the code on different platform before class.
